Welcome to a new GC generation. Our inventive philosophy and expertise in GC column manufacturing has resulted in 3 R&D 100 Awards, an honor that no other GC manufacturer has received. Introduce a GC column to your lab and get to know the Zebron GC Column Family! www.phenomenex.com/Zebron

NEW! Zebron 624 PLUS™

Turn up the heat on your chroma-celebration with the NEW Zebron ZB-624 performance! Introducing the optimal choice for the analysis of volatile compounds for a wide range of analytes. Experience an enhancement in peak shape, improvement in

signal-to-noise levels, and increasing sensitivity for qualitative and quantitative analysis of active compounds.
