

## 2025 ISPE Indonesia Annual Conference

Adherence to Quality Compliance in  
Achieving Manufacturing Sustainability

May 21<sup>st</sup> - 22<sup>nd</sup>, 2025

Aston Kartika Hotel & Conference Center, Grogol West Jakarta - Indonesia

ISPE Indonesia as an Affiliate of ISPE, has commitment to continuously disseminate best practice, current knowledge and technology, as well as advance trend in manufacturing of safe and effective medicine. Quality Culture of the company is the most important key to manufacture good quality, safe and effective medicine, therefore this culture must be built throughout the company. With the advancement of technology, the more rigid regulation of making safe medicine, and the more awareness of patients and customers, moving from manual to digitization is a must in the pharmaceutical industry.

This prestigious event ISPE Indonesia Conference will be held on **May 21<sup>st</sup> - 22<sup>nd</sup> 2025 in Aston Kartika Hotel & Conference Center – Ballroom 1-3. Jl. Kyai Tapa No 101, Grogol West Jakarta – Indonesia**
